

# 101 General life rules you should follow

There are no specific rules of life. And your life's rule might differ from mine. However, in this post I have shared 101 general life rules you can follow right away.

1. Never compare yourself with anyone.
2. Life is too short to think negative.
3. Keep laser-like focus on your goals.
4. Have a 1 or 2 true friends.
5. Quality networking is mandatory.
6. Earn a lot of money in life.
7. Give at least one try to achieve your dreams.
8. Nobody is you.
9. You don't need to follow the crowd.
10. It's okay to be alone.
11. Read self-improvement books every day.
12. Invest in the stock market, at least in index funds.
13. [Keep yourself motivated.](#)
14. Once you achieve your goals, plan a new one.

15. It's never too late to start something new.
16. Make your parents proud.
17. Nothing is going to be easy in your life.
18. Consistency can beat talent.
19. Create multiple sources of income.
20. Never run for material things.
21. It's not your job to make others happy (if they don't care).
22. Never chase people in your life.
23. No one can steal your happiness as long as you won't allow them to.
24. You're unique, handsome/beautiful, smart and intelligent.
25. Keep smiling.
